

Help Us Plan for the Future of Our Water Resources

Local agencies are developing groundwater sustainability plans to plan for the future of our groundwater resources. Come to the last workshop of the planning process to learn more. The workshop details are as follows:

Mendota

Thursday, May 23, 6:00 - 8:00 PM

Mendota Library

1246 Belmont Ave, Mendota, CA 93640

The first forty minutes will consist of a bilingual presentation on:

- Present and future state of our groundwater resources (water budget)
- Sustainable yield of our groundwater basin
- Regional groundwater monitoring network
- Projects and actions to manage our groundwater

Food will be provided. Spanish-language interpreters and materials will be available. To sign-up for the workshop, please go to: tinyurl.com/y4mxw42h. For more information, please visit our website at www.deltamendota.org. We look forward to seeing you there!
